LOW-COST SHIPPING SOLUTION

Superior Product Protection

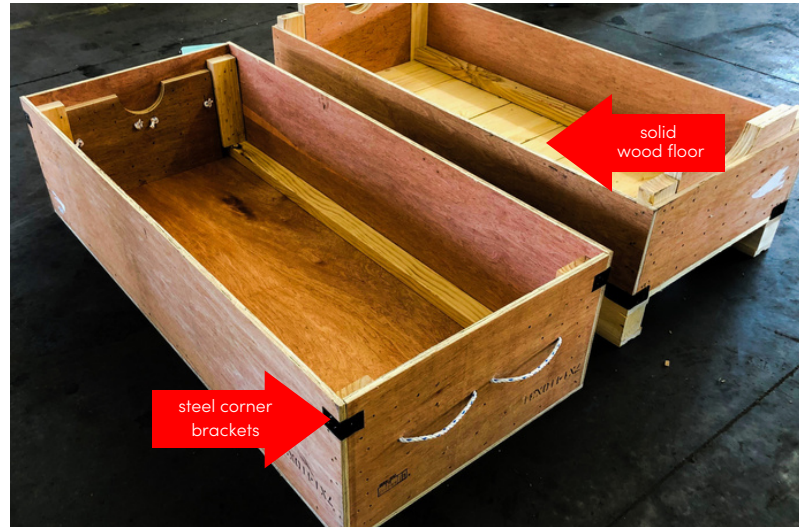

Ship with confidence

Save up to
90% per crate
vs building in
house

- Lower time and cost, boost profitability
- Exceptional quality and price
- Load bearing weight support
- Added structural reinforcement
- Once used, like new condition

Crates vary in size and material, contact for availability.

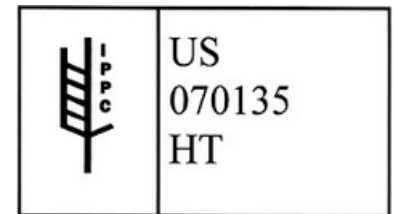

**Economical enough for one way shipment,
durable enough to make the return journey.**

Common Uses

- Machinery and electronics
- Fabricated and manufactured parts
- Scientific and medical equipment
- Motorcycle and vehicle parts
